In a spine configuration, each modular cabinet serves to separate workspaces but at the same time connect workstations on either side by overlapping each desktop by half the width of the cabinet. The cabinet provides accessible storage space from both sides. Each panel connects to the table on either side and facilitates easy eye-to-eye contact and recognizes the importance of communication at work. Storage remains storage, with no space definition functionality. Ideal for teamwork. Top shelves transparent offer additional storage. The unique modeling and beauty with practice can meet your demand for different situations.
